

An Employee Length of Service Program

FROM **PMG**

Milestones®

- An online solution that you customize to meet your Company's exact recognition needs
- You customize the information stored in your employee database
- You customize the award levels and gift options that meet your budget
- You customize the mix of gift options, from brand name merchandise, travel, to gift cards
- You customize the notification letters that are automatically generated from SmarTrakker™
- Milestones® is managed by SmarTrakker™, our proprietary administrative system, making Milestones® among the easiest length of service programs to administer
